**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
GREAT FALLS DIVISION**

WESTERN ORGANIZATION OF
RESOURCE COUNCILS et al.,

Plaintiffs,

vs.

UNITED STATES BUREAU OF
LAND MANAGEMENT,

Defendant,

and

STATE OF WYOMING,

Intervenor-Defendant.

Case No. 4:20-cv-00076-BMM

**DECLARATION OF MELISSA
HORNBEIN IN SUPPORT OF
PLAINTIFFS' MOTION FOR
COSTS AND ATTORNEYS' FEES**

I, Melissa Hornbein, hereby declare:

1. I am a senior attorney with the Western Environmental Law Center in its Northern Rockies Office in Helena, Montana. I served as co-counsel in the above captioned case. I submit this declaration in support of Plaintiffs' motion for an award of attorneys' fees and costs pursuant to the Equal Access to Justice Act (EAJA), 28 U.S.C. § 2412.

2. I began working on this case in August 2020, after I was hired by the Western Environmental Law Center. I conducted work on this case including, but not limited to, researching and developing the legal theories, meeting and discussing the matter with Plaintiffs, reviewing the administrative record, drafting and filing briefs, and preparing for and presenting oral arguments.

3. I received a B.A. and a B.S. from the University of Washington in 2001, a J.D. from the University of California, Hastings College of the Law in 2008, and an M.S. from the University of Montana in 2009. I attended law school with the intention of practicing environmental law. While attending law school I took classes in administrative law, environmental law, and public lands law, among other topics, and following law school completed a master's degree in Environmental Studies. In law school I interned for two Montana non-profit environmental organizations where I worked on cases related to timber harvest under the National Environmental Policy Act, National Forest Management Act,

and Endangered Species act, as well as issues related to state water law and fisheries instream flows.

4. Immediately after law school, I clerked for Justice Brian Morris at the Montana Supreme Court. In 2010, I took a position with the Montana Department of Natural Resources and Conservation, where I functionally split my time between two roles. Part of my time was devoted to in-house counsel duties, working on policy issues and state and federal litigation related to resource management on state lands, including state school trust lands. The larger portion of my time was spent as counsel for the Montana Reserved Water Rights Compact Commission, negotiating federal and tribal reserved water rights on behalf of the state for federal reservations managed by the U.S. Fish and Wildlife Service and Bureau of Land Management, and for the Confederated Salish and Kootenai Tribes of the Flathead Indian Reservation.

5. In 2015, I became an Assistant U.S. Attorney for the District of Montana with the U.S. Department of Justice. In that position, I worked on a full range of civil litigation, including environmental cases, tort law, and other issues. In that capacity, I litigated cases under the National Environmental Policy Act, Federal Land Policy and Management Act, and Quiet Title Act, among other statutes. In 2019, I briefly returned to the State Department of Natural Resources and Conservation before accepting a position with the Western Environmental Law

Center in 2020. At the Center, my practice is focused on climate-change-related litigation, in particular related to fossil fuel extraction on federal public lands. In my professional capacity, in addition to litigating cases in federal court, I have testified before state legislative committees on issues of environmental, water, and Indian law, and have presented on continuing legal education panels on issues of environmental law including water law, Indian law, and various laws governing fossil fuel extraction on federal lands.

6. I have represented both the government and later non-profit clients in numerous environmental cases pursued under various state and federal statutes, including the National Environmental Policy Act, the National Forest Management Act, the Federal Land Policy and Management Act, and the Administrative Procedure Act. In my time at the Western Environmental Law Center, these cases include: *Western Energy Alliance et. al. v. Biden*, 21-cv-13-SWS (D. Wyo. Sept. 2, 2022); *Citizens for a Healthy Cmty. v. United States Dep't of Interior*, No. 21-CV-01268-MSK, 2022 WL 1597864 (D. Colo. May 19, 2022); *350 Montana v. Haaland*, 29 F.4th 1158, 1161 (9th Cir. 2022); *W. Org. of Res. Councils v. U.S. Bureau of Land Mgmt.*, No. 4:20-CV-00076-GF-BMM, 2022 WL 3082475 (D. Mont. Aug. 3, 2022); *WildEarth Guardians v. Haaland*, No. CV 20-56 (RC), 2022 WL 1773476 (D.D.C. June 1, 2022); *WildEarth Guardians v. Haaland*, No. CV 17-80-BLG-SPW, 2021 WL 4192883 (D. Mont. Aug. 5, 2021); *Montana Env't*

Info. Ctr. v. Bernhardt, No. 119CV00130SPWTJC, 2021 WL 243140 (D. Mont. Jan. 25, 2021); *Wyoming v. United States Dep't of the Interior*, 493 F. Supp. 3d 1046 (D. Wyo. 2020); *California v. Bernhardt*, 472 F. Supp. 3d 573 (N.D. Cal. 2020).

7. In preparing this motion for costs and fees, I compiled the hours that I spent on this matter, which are reflected in the attached timesheets attached as Exhibit A to this Declaration. I record my time in increments of six minutes (1/10 of an hour). I kept my time and expense reports for this case contemporaneously, and they accurately reflect the actual time spent and expenses incurred. In exercising sound billing judgment, I carefully reviewed my time sheets and omitted excessive, redundant, and otherwise unnecessary time. This exercise of billing judgment resulted in the omission of 15.2 hours of my attorney time from Plaintiffs' fee claim. I also, along with co-counsel, exercised my billing judgment to omit 14.7 hours of time spent by colleagues at our respective organizations (itemized at Exhibit B to this Declaration). This omitted time does not include time spent by Mr. Shoaff, who represented the Sierra club and for whom no recovery is sought. In my opinion, the total hours, expenses, and award I and my co-counsel seek in this matter are reasonable.

8. I seek recovery for 147.9 hours of my time in this case, at rates ranging from \$330 per hour to \$350 per hour. I am familiar with prevailing market

hourly rates for attorneys who practice federal environmental law in the District of Montana. I believe my requested rates are reasonable and consistent with, if not lower than, market rates for attorneys with similar skills and experience in Montana.

9. In addition to seeking to recover reasonable attorneys' fees, Plaintiffs also seek to recover appropriate costs for the litigation. Attached as Exhibit C is a true and correct copy of an itemized statement of litigation costs that Plaintiffs seek to recover in this matter. Based on my experience, these costs include those that would ordinarily be billed to a client in litigation.

Pursuant to 28 U.S.C. § 1748, I declare under penalty of perjury that the foregoing is true and correct.

Dated this 23rd day of December, 2022.

/s/ Melissa Hornbein
